Dear Parent/Carer,

I am pleased to confirm that we will be running Easter revision sessions for Year 11 students. Please find the programme overleaf which will also be available on the school's website.

We believe that these sessions will prove extremely useful as we move towards the formal GCSE examinations and we would strongly recommend that your child attends where they can. Where your child may have a clash of subjects, your child's teachers will have told classes or individual students which sessions to attend. Please note that your child is not expected to wear school uniform to attend their revision sessions and it is recommended that if they are staying in school across lunchtime that they bring a packed lunch in with them. Some departments may provide snacks but this is not compulsory or guaranteed.

Following the Easter holiday I will send out further information regarding the exam season, study leave and the availability of the revision hub during this time. If you have any questions about this revision programme, please do not hesitate to contact the subject teacher leading the sessions or me directly.

Many thanks in advance for your support.

Yours sincerely,

Mrs Sara Kemp
Assistant Headteacher
